2. **MINIMUM AND MAXIMUM AMOUNTS**

- A. During the period specified in the “Ordering” clause, the Contractor will be guaranteed a minimum workload of \$4,000 and the maximum workload limit will be \$200,000, during one year from the effective date of this contract.
- B. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a second year minimum workload of \$4,000 with a maximum workload limit of \$200,000. The total guaranteed minimum cumulative workload will be \$8,000 and the maximum cumulative workload will then become \$400,000 for the two-year contract period.
- C. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a third year minimum workload of \$4,000 with a maximum workload limit of \$200,000. The total guaranteed minimum cumulative workload will be \$12,000 and the maximum cumulative workload will then become \$600,000 for the three-year contract period.
- D. At the option of the Government, this contract may be extended for an additional one year term. If this option is exercised, the Government will guarantee a fourth year minimum workload of \$4,000 with a maximum workload limit of \$200,000. The total guaranteed minimum cumulative workload will be \$16,000 and the maximum cumulative workload will then become \$800,000 for the four-year contract period.
- E. At the option of the Government, this contract may be extended for an additional one year term. If this option is exercised, the Government will guarantee a fifth year minimum workload of \$4,000 with a maximum workload limit of \$200,000. The total guaranteed minimum cumulative workload will be \$20,000 and the maximum cumulative workload will then become \$1,000,000 for the five-year contract period.

If the contractor declines work offered by the National Park Service at any time during the contract period, the estimated amount of the project will be subtracted against the minimum guaranteed workload in this contract.
